ORDER MODIFYING DECISION NO. 92557 AND DENYING REHEARING

The City of San Diego has filed a petition for rehearing of Decision No. 92557. San Diego Gas and Electric Company has filed a response thereto, asking that rehearing be denied.

We have carefully considered each and every allegation of error in that petition and are of the opinion that good cause for granting rehearing has not been shown, but that Decision No. 92557 should be modified to clarify our position with respect to the lifeline refund issue. Therefore,

IT IS ORDERED that Decision No. 92557 is hereby modified as follows:

The first sentence in the second paragraph on page 26 (mimeo) shall read in full as follows:

"We recognize that the prospective recovery of the refunds and associated administrative expenses relates to costs already incurred by SDG&E rather than what are estimated for test year 1981."
