OII 88  
(Filed April 7, 1981)

ORDER CORRECTING CLERICAL ERROR

Order Instituting Investigation 88 issued April 7, 1981 ordered that:

"3. Respondents General and The Pacific Telephone and Telegraph Company (PT&T), within forty-five days of the effective date hereof, shall file with the Commission's Communications Division and each respondent telephone company and appearance in Application No. 50345, a report of the estimated settlement effects upon each respondent telephone utility based upon the rates proposed in Application No. 60340."

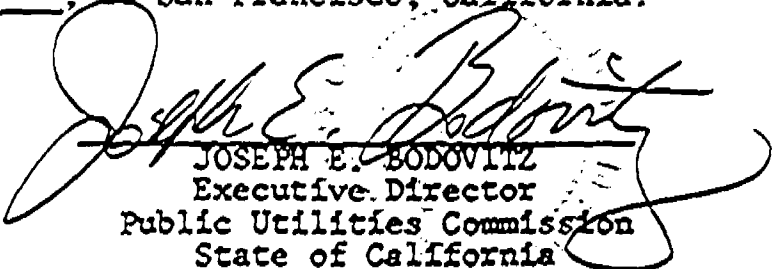

By inadvertent error line 5 of Ordering Paragraph 3 read "50345" instead of 60340.

Under Resolution A-4661,

IT IS ORDERED that number "50345" in Ordering Paragraph 3 is changed to "60340".

This order is effective today.

Dated April 21, 1981, at San Francisco, California.
