Decision No. _____

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Richard A. Gregory, an individual, dba Sunset Coast Bus Lines, for authority to operate as a passenger stage corporation in a home-to-work service between points in Orange County and the Garrett AiResearch Facility in Torrance.

Application No. 59438
(Filed February 7, 1980;
amended May 28, 1980)

ORDER OF REVOCATION

By Decision 92127, dated August 19, 1980, in Application 59438, Richard A. Gregory, doing business as Sunset Coast Bus Lines (Sunset), was granted a certificate of public convenience and necessity to operate as a passenger stage corporation in a "home-to-work" service between certain points in Orange County, on the one hand, and the Garrett AiResearch Facility in Torrance, on the other hand.

The decision required Sunset to file tariffs and timetables and to establish the service within one hundred twenty days after the order's effective date. The decision, additionally, required Sunset to comply with the insurance requirements of the Commission's General Order No. 101-Series.

By letter dated January 7, 1981, staff of the Transportation Division advised the owner, Mr. Richard A. Gregory, of Sunset's need to file a written acceptance of the certificate, to file a tariff, a timetable, and a certificate of insurance. Gregory was informed that he had until February 1, 1981 to file the documents. Sunset has not responded to the letter, has not made an insurance filing, nor filed a tariff or timetables.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned

certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked.

Since there is no evidence of insurance, the effective date should be the date hereof.

IT IS ORDERED that the certificate of public convenience and necessity to operate as passenger stage corporation authorized by Decision 92127 is hereby revoked upon the effective date of this order.

The Executive Director shall mail a certified copy of this order to:

Richard A. Gregory
Sunset Coast Bus Lines
P.O. Box 6552
Torrance, CA 90504

The effective date of this order is the date hereof.

Dated APR 21 1987 at San Francisco, California.
