Case 10905
(Filed September 11, 1980)

ORDER CORRECTING DECISION 92910

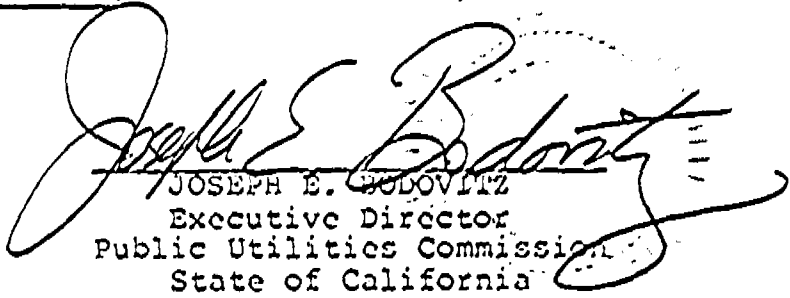

On April 21, 1981, Decision 92910 was signed disbursing \$846.80 on deposit with the Commission in the above-captioned complaint to defendant General Telephone Company of California. Through clerical error, additional amounts on deposit with the Commission in the same complaint were not included in this disbursement. This error should be corrected.

Under Resolution A-4661,

IT IS ORDERED that the amount of \$140.27 presently on deposit with the Commission in Case 10905 should be disbursed to defendant General Telephone Company of California.

This order is effective today.

Dated May 5, 1981, at San Francisco, California.
