(Filed October 1, 1979)

ORDER OF DISMISSAL

Decision No. 91013 dated November 6, 1979, granted Universal Transport System, Inc., authority to increase its rates on cement in Western Motor Tariff Bureau, Inc., Agent, Local Freight Tariff No. 17, Cal. P.U.C. No. 21. On January 30, 1980, applicant requested an extension of time in which to increase its rates pending a decision in Case No. 5440, Petition for Modification No. 113, which was a similar request for increase in cement rates. Decision No. 92162 of August 19, 1980 granted a seven percent surcharge increase in connection with the aforementioned petition and applicant increased its rates by this authority. Therefore, this matter is now moot.
