Application 59936
(Filed September 15, 1980)

ORDER MODIFYING DECISION 92804

Ordering Paragraph 7 of Decision (D.) 92804 dated
March 17, 1981 states:

"7. Continental shall reflect any increase in
intrastate toll or EAS settlement revenues which
result from our decision in Application No. 59849
in its billing surcharge."

By petition for modification of D.92804 filed April 13,
1981, Continental Telephone Company of California requests that
we clarify Ordering Paragraph 7 so that it be made consistent
with the discussion in the decision (mimeo. pages 16 and 76)
and Finding of Fact 13 (mimeo. page 82), and further be
consistent with the issues which remain open in OII 81.

We intended Ordering Paragraph 7 to be fully consistent
with the discussion and Finding of Fact 13 in our decision and
the fact that it does not appear to be wholly consistent thereof
is due to inadvertence rather than by design.

Rule 43 of the Commission's Rules of Practice and
Procedure provides for modification of minor changes of
Commission decisions. Accordingly, D.92804 should be modified

to clarify Ordering Paragraph 7 so that it is consistent with the discussion and Finding of Fact 13 contained in the decision.

We find that public convenience and necessity require that modification be made in D.92804, as set forth in the order which follows.

IT IS ORDERED that:

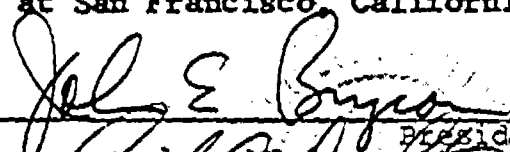

1. Ordering Paragraph 7 on page 86 (mimeo.) of Decision 92804 is changed to read as follows:

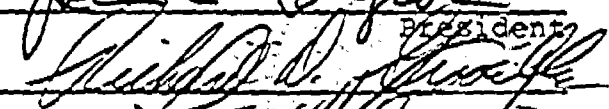

"7. Continental shall reflect any net increase or decrease in intrastate toll or EAS settlement revenues which result from our decision in Application No. 59849 in its billing surcharge."

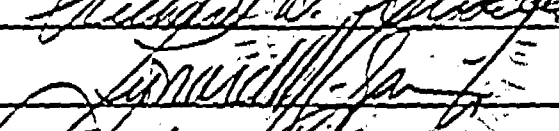

2. In all other respects Decision 92804 shall remain in full force and effect.

This order is effective today.

Dated JUN 2 1981, at San Francisco, California.

President

Commissioners

Commissioner Priscilla C. Grew, being necessarily absent, did not participate in the disposition of this proceeding.
