ORDER CORRECTING DECISION 93178

Decision (D.) 93178, dated June 2, 1981, granted Willig Freight Lines (Willig) among other things, the authority to (1) assume existing debt securities; and (2) acquire real property subject to existing encumbrances.

Although Willig, in its application, requested that the Order be made effective on the date the fee was paid, inadvertently, the last sentence of paragraph 5 was made to read:

"In all other respects this order becomes effective 30 days from today."

The following supplemental order should be effective the date of signature to enable Willig to conclude the contemplated transaction.

Pursuant to Resolution No. A-4661,

IT IS ORDERED that:

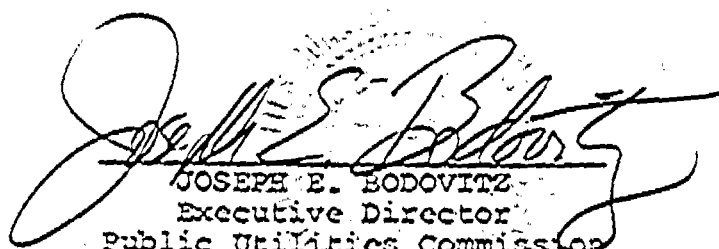

1. Ordering Paragraph 5 of D.93178 is amended to read as follows:

5. The authority granted by this order to acquire real property with deeds of trust and to assume three promissory notes, will become effective when Willig Freight Lines pays \$1,258, the fee set by PU Code Section 1904(b).

2. In all other respects, D.93178 shall remain in full force and effect.

This order is effective today.

Dated June 16, 1981, at San Francisco, California
