ORDER AMENDING DECISION 93542

Decision (D.) 93542, dated September 15, 1981, authorized Livingston Telephone Company to enter a Telephone Loan Contract and issue its notes aggregating up to \$4,508,700, and to execute related security agreements. Its attorney, by letter dated September 18, 1981, advised the Commission that the contracts, notes, and agreements are with the Rural Telephone Bank alone, which was stated in the application. The purpose of this order is to delete the inadvertent reference to the Rural Electrification Administration from Ordering Paragraph 1 of D.93542.
