Case 10926
(Filed November 24, 1980)

ORDER MODIFYING DECISION 93303
AND DENYING REHEARING

An application for rehearing of Decision (D.) 93303 has been filed by General Telephone Company of California. We have reviewed the allegations of error contained in General's application and are of the opinion that good cause for granting rehearing has not been shown. However, we believe that the following modifications must be made to clarify our intent.

IT IS HEREBY ORDERED that D.93303 is modified as follows:

1. Ordering Paragraph No. 2 is amended to read as follows:

"2. General Telephone Company of California shall apply tariff Schedule Cal. P.U.C. A-31, Sections B.1. and 2. (as they existed at the time the instant complaint was filed) to all applicants for telephone service in Tract 6410 who apply for such service within 90 days of receiving notice of this order."

2. Ordering Paragraph No. 2a is added to read as follows:

"2a. General Telephone Company of California shall cause notice of this order to be sent to all residents of Tract 6410 within 45 days of the effective date of this order."

C.10926 L/mbh

- 3. Rehearing of D.93303 as modified herein is denied.
- 4. This order is effective today.

Dated OCT 6 1981, at San Francisco, California.
