Howard L. Everidge, Attorney at Law, for
California Parlor Car Tours, protestant.

ORDER OF DISMISSAL

This is an application in which San Francisco Bay Tours, Inc. seeks removal of restrictions on its passenger stage operating authority. The matter had been calendared and continued until September 21, 1981. On September 17, 1981 applicant transmitted a request for dismissal and indicated it would attempt to contact all parties of record. Because of the imminent hearing the matter was kept on calendar.

A duly noticed public hearing was held before Administrative Law Judge Jarvis in San Francisco on September 21, 1981. The request for dismissal was read into the record and the matter submitted.

The Commission finds and concludes that applicant's request for dismissal should be granted.
