ORDER MODIFYING DECISION 93647

By Decision (D.) 93647 issued October 20, 1981 in this proceeding, Newman Trucking Company, Inc. (Newman) was ordered, inter alia, to pay a fine to this Commission under Public Utilities (PU) Code § 3800 of \$19,347.42 on or before the 40th day after the effective date of the order.

Newman has entered into a stipulation with the staff providing that the above fine should be paid to the Commission as soon as its efforts to collect undercharges from Newhall Refining Company, Inc. are concluded, but that in any event, payment of the fine must be made within one year of the effective date of the decision in OII 47, unless an extension of time is requested and granted. We find the terms of the stipulation reasonable.

D.93647 should be amended to coincide with the above stipulation between Newman and the staff.

IT IS ORDERED that Ordering Paragraph 3 of D.93647 is modified to read as follows:

"3. Pay a fine to this Commission under PU Code Section 3800 of \$19,347.42 as soon as its efforts to collect the undercharges from Newhall Refining Company, Inc. are concluded. However, Newman shall tender payment of this fine within one year of the effective date of the Commission's decision in OII 47, unless an extension of time is requested and granted."

In all other respects, D.93647 shall remain in full force and effect.

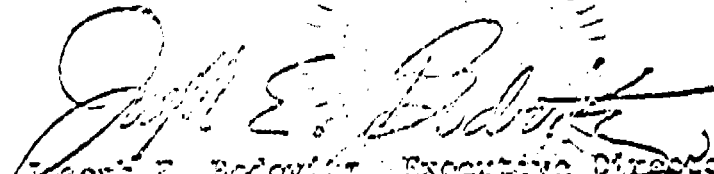

The Executive Director shall have this order personally served upon respondent Newman Trucking Company, Inc. and served by mail upon all other respondents.

This order shall become effective for each respondent 30 days after the order is served.

Dated DEC 15 1981, at San Francisco, California.
