Investigation 95-02-015 (Filed February 22, 1995)

ORDER CORRECTING ERROR

On February 19, 1997, the Commission issued Decision (D.) 97-02-047 which granted The Utility Reform Network (TURN) intervenor compensation in the amount of \$54,533.38. Ordering Paragraphs 2, 3, 4, 5, and 6 directed the state's electric utilities to pay TURN certain shares of that compensation, plus interest which would begin accruing January 19, 1995. The reference to 1995 in these Ordering Paragraphs is a typographical error. The Ordering Paragraphs should order interest to accrue beginning January 19, 1997, consistent with Public Utilities Code Section 1804(e) and Commission policy.

Under Resolution A-4661, IT IS ORDERED that the typographical errors in Ordering Paragraphs 2, 3, 4, 5, and 6 of Decision 97-02-047 are corrected to require the state's electric utilities to calculate The Utility Reform Network's intervenor compensation with interest to accrue beginning January 19, 1997.

This order is effective today.

Dated MAR 21 1997, at San Francisco, California.
