ORDER CORRECTING ERROR

The Commission has noted two nonsubstantive errors in Order Instituting Investigation (I.) 97-03-025. This order is necessary to correct these errors.

Therefore, pursuant to the authority granted in Resolution A-4661, IT IS ORDERED that:

1. The Executive Director is directed to cause a copy of I.97-03-025 to be immediately served upon all incumbent local exchange carriers and certificated competitive local carriers and all appearances and the state service list in Case 96-10-018. The reference to service of a "certified" copy in Ordering Paragraph 4 of I.97-03-025 is deleted.

2. The date of mailing of I.97-03-025 is March 21, 1997, rather than March 20, 1997 which is stamped on the face of that order.

This order is effective today.

Dated March 21, 1997, at San Francisco, California.
