In the Matter of the Application of TCG San Diego (U-5454-C) for a Certificate of Public Convenience and Necessity for Authority to Provide InterLATA Telecommunications Services Within the State of California.

Application 97-02-012
(Filed February 11, 1997)

ORDER CORRECTING ERROR

On May 6, 1997, the Commission issued three decisions granting authority sought by TCG Los Angeles, TCG San Francisco and TCG San Diego (Applicants) to offer interLocal Access and Transport Area (interLATA) telecommunications services. Decision (D.) 97-05-009, D. 97-05-010 and D.97-05-011 all correctly identified the extent of the authority sought by Applicants in the body of each order. Relevant ordering paragraphs, however, inadvertently failed to authorize Applicants to offer facilities-based services in addition to resale services. This decision corrects the errors in those orders.

Finding of Fact

Relevant ordering paragraphs in D.97-05-009, D.97-05-010 and D.97-05-011 granted Applicants authority to offer resale interLATA services, but inadvertently failed to authorize Applicants' authority to offer facilities-based interLATA services.

Conclusion of Law

D.97-05-009, D.97-05-010 and D.97-05-011 should be modified to authorize Applicants to offer facilities-based interLATA telecommunications services.

IT IS ORDERED that:

1. Pursuant to Resolution A-4661, Ordering Paragraph 1 of Decision (D.) 97-05-009 is modified to state "A certificate of public convenience and necessity (CPCN) is granted to TCG San Francisco (applicant) to operate as a reseller and facilities-based carrier of interLocal Access and Transport Area (interLATA) service."

2. Pursuant to Resolution A-4661, Ordering Paragraph 1 of D.97-05-010 is modified to state "A certificate of public convenience and necessity (CPCN) is granted to TCG Los Angeles (applicant) to operate as a reseller and facilities-based carrier of interLocal Access and Transport Area (interLATA) service."

3. Pursuant to Resolution A-4661, Ordering Paragraph 1 of D.97-05-011 is modified to state "A certificate of public convenience and necessity (CPCN) is granted to TCG San Diego (applicant) to operate as a reseller and facilities-based carrier of interLocal Access and Transport Area (interLATA) service."

4. Application (A.) 97-02-013 is closed.

5. A.97-02-014 is closed.

6. A.97-02-012 is closed.

This order is effective today.

Dated JUN 04 1997, at San Francisco, California.
