Case 97-06-035

(Filed June 13, 1997)

O R D E R

These two matters were set for hearing on September 12, 1997, after being continued from August 22, 1997, at the request of complainant. On September 9, 1997, complainant, without notifying defendant, requested a continuance. At the hearing on September 12, complainant renewed his motion for a continuance.

The motion was granted and the matters taken off calendar. On January 26, 1998, complainant by letter was requested to inform the presiding administrative law judge by February 17, 1998, when he would be ready for hearing. Complainant failed to respond to that letter.

Therefore, IT IS ORDERED that Case (C.) 97-04-059 and C.97-06-035 are dismissed for failure to prosecute.

This order is effective today.

Dated April 9, 1998, at San Francisco, California.
