BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of American Communications Network, Inc. for a Certificate of Public Convenience and Necessity to Operate as a Reseller of Local Exchange Telecommunications Services Within California.

(U-2528-C)

ORIGINAL

Application 96-07-033
(Filed July 25, 1996)

ORDER CORRECTING ERROR

Decision (D.) 97-05-005 granted to American Communications Network, Inc. (ACN) a certificate of public convenience and necessity for authority to operate as a competitive local exchange resale carrier. Appendix B to D.97-05-005 is a list of deficiencies in tariffs filed by Correctional Communications Corporation, Inc. in Application 96-02-054. Appendix B was inadvertently attached to the order. ACN's tariffs were not deficient.

Findings of Fact

1. D.97-05-005 granted to ACN a certificate of public convenience and necessity for authority to operate as a competitive local exchange resale carrier.
2. Appendix B, which refers to the tariff deficiencies of another carrier, was inadvertently attached to D.97-05-005. ACN's proposed tariffs were not deficient.

Conclusion of Law

D.97-05-005 should be amended to delete Appendix B because it applies to another carrier in another proceeding.
