Decision 98-12-056 December 17, 1998

**ORIGINAL**

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Application of Southern California Gas Company  
(U 904 G) to Establish Core Purchased Gas  
Account Imbalance Band.

Application 98-03-025  
(Filed March 20, 1998)

**OPINION GRANTING  
PETITION TO MODIFY D.98-07-068**

**Summary**

We grant the unopposed petition of Southern California Gas Company (SoCalGas) to make certain clerical revisions to Decision (D.) 98-07-068, in which we approved, among other things, changes in the calculation of SoCalGas' core subscription and core procurement rates.

**Procedural Background**

SoCalGas filed this petition on August 20, 1998, following issuance of D.98-07-068, and in compliance with Rule 47 of our Rules of Practice and Procedure. No protests were filed.

**Discussion**

SoCalGas' petition correctly states that D.98-07-068 authorized it to implement the changes to calculations in its core subscription and core procurement rates described in the underlying, unprotested application. That application requested authority to revise 18 schedules. However, the Conclusions of Law and Ordering Paragraphs in D.98-07-068 grant express authority to revise only five schedules, inadvertently neglecting to list the other 13. Those corrected 18 schedules are:

Schedule Number	Schedule Title
GR	Residential Service
GS	Multi-Family Service Submetered
GM	Multi-Family Service
GMB	Large Multi-Family Service
GRL	Residential Service, Income Qualified
GSL	Submetered Multi-Family Service, Income Qualified
GL	Street and Outdoor Lighting Natural Gas Service
GN-10	Core Service for Small Commercial and Industrial Service
GN-10L	Core Commercial and Industrial Service, Income Qualified
GN-20	Core Service for Large Commercial and Industrial
G-AC	Core Air Conditioning Service for Commercial and Industrial
G-EN	Core Gas Engine Service for Agricultural Water Pumping
G-NGV	Natural Gas Service for Motor Vehicles
G-CP	Core Procurement Service
G-CS	Core Subscription Natural Gas Service
GW-LB	Wholesale Natural Gas Service
GW-SD	Wholesale Natural Gas Service
GW-SWG	Wholesale Natural Gas Service

In addition, a clerical error in Ordering Paragraph 4 of D.98-07-068 causes "Schedule GW-SD" to be referenced incorrectly as "Schedule GW-DS."

SoCalGas has properly brought these errors to our attention and no party challenges the requested relief. We order correction of each of these clerical errors so that SoCalGas may fully implement the authority we intended to grant in D.98-07-068.

#### **Findings of Fact**

1. D.98-07-068 authorized SoCalGas to implement the changes to calculations in its core subscription and core procurement rates described in the underlying, unprotested application.

A.98-03-025 ALJ/XJV/tcg \*

2. The conclusions of law and ordering paragraphs in D.98-07-068 grant express authority to SoCalGas to revise only five of 18 schedules listed in the application.

3. Ordering Paragraph 4 of D.98-07-068 incorrectly references "Schedule GW-DS," rather than "Schedule GW-SD."

#### **Conclusions of Law**

1. The August 20, 1998 petition of SoCalGas to modify D.98-07-068 should be granted.

2. SoCalGas should be authorized to revise 18 schedules, as described in

A.98-03-025:
