BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking on the
Commission's Own Motion to Consider
the Line Extension Rules of Electric
and Gas Utilities.

ORDER CORRECTING ERRORS

For clerical reasons, an error internally corrected in D.00-01-028 was not reflected in the copy signed on January 6, 2000 and mailed on January 10, 2000. The signed order incorrectly identifies the Joint Utility Respondents (JURs) as filing a petition to modify. A petition to modify was filed by Utility Design Inc. (UDI). Today's order remedies the deficiency, as follows.

Pursuant to Resolution A-4661, **IT IS ORDERED** that:

1. On page 1 of the Order, second full paragraph, the phrase "petition for modification" is deleted.
2. On page 6 of the Order, last sentence, the second "the" is changed to "its."
3. On page 7 of the Order, first full paragraph, second sentence, the word "JURs" is changed to "UDI's."

This order is effective today.

Dated January 13, 2000, at San Francisco, California.
