

Decision 99-05-005**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

In the Matter of the Application of PaeTec Communications, Inc., a Delaware Corporation, for a Certificate of Public Convenience and Necessity to Provide InterLATA and IntraLATA Telecommunications Service in California as a Facilities-based Carrier.

Application 98-08-003
(Filed August 3, 1998)

M O D I F I C A T I O N O F P R E V I O U S O R D E R

The decision rendered in this proceeding, Decision (D.)98-09-049, issued (Utility Identification Number) U-6051-C to PaeTec Communications, Inc. to provide interLATA and intraLATA telecommunications service. D.98-12-083, which certificated the company as a competitive local carrier, issued U-6097-C to the company. PaeTec Communications, Inc. has requested that the authorities granted in these two decisions be consolidated under U-6097-C.

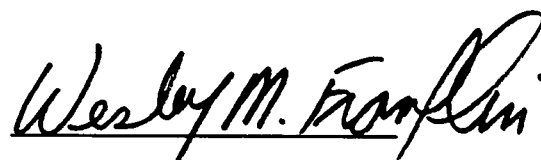

We will grant the company's request. D.98-09-049 will be modified to assign U-6097-C to the company's provision of interLATA and intraLATA telecommunications service, and U-6051-C will be cancelled.

This is an uncontested matter in which the decision grants the relief requested. Accordingly, pursuant to Public Utilities Code Section 311(g)(2), the otherwise applicable 30-day period for public review and comment is being waived.

IT IS ORDERED that:

1. Decision 98-09-049 is modified to assign U-6097-C to PaeTec Communications, Inc. to provide interLATA and intraLATA telecommunications service.
2. Utility Identification Number U-6051-C is cancelled and will not be reassigned.

Dated May 6, 1999, at San Francisco, California.
