RESOLUTION CE 14-91
Transportation Division
January 21, 1992

R E S O L U T I O N

SUSPENDING AND REVOKING THE OPERATING AUTHORITIES
OF JAMES F. LARSEN, DOING BUSINESS AS, LARSEN
TRUCKING, FOR FAILURE TO COMPLY WITH CITATION
FORFEITURE NO. F-4118.

WHEREAS, on October 3, 1984, the Commission approved Resolution No. L-228, adopting a policy for carriers who have operating authority issued by the Commission and who fail to comply with the citation forfeiture issued by the Transportation Division. Under this policy, the Executive Director may recommend suspension and revocation of the carrier's authority for such failure to comply; and

WHEREAS, on November 15, 1991, the Transportation Division served James F. Larsen with Citation Forfeiture No. F-4118, for the amount of \$2,500.00, and the carrier agreed in writing to comply with the citation; and

WHEREAS, on November 26, 1991, the carrier requested, and was granted, permission to remit the fine in monthly installments of \$500.00, commencing January 18, 1991; and

WHEREAS, on January 22, 1991, the carrier's first \$500.00 installment was received; however, no further payments have been made; and

WHEREAS, on March 20, 1991, the carrier was requested to appear at the local district office to discuss his delinquent fine, but the carrier failed to honor the request; and

WHEREAS, on September 17, 1991, the warning letter required by Resolution L-228 was mailed to the carrier; and

WHEREAS, the carrier has failed to comply with the requirements of the citation after agreeing to do so in writing:

IT IS RESOLVED THAT:

1. All the operating authority of the above-named carrier is suspended for a period of 30 days, or until the fine balance of \$2,000.00 is paid. The carrier may not operate during suspension.

2. If by the end of the 30 day period the carrier has not complied with the terms of the citation nor filed for a hearing, then all the operating authority of the above-named carrier will be automatically revoked.

3. Filing of a request for hearing will stay the revocation of operating authorities, but the suspension will remain in force. The carrier may not operate.

4. During a hearing, the burden of proof will be on the carrier to show why the revocation should not take place.
