RESOLUTION NO. F-615

EVALUATION AND COMPLIANCE DIVISION
BRANCH: Accounting & Financial
Advisory

DATE: March 19, 1986

SUBJECT: Redesignate General Order No. 77-J
to 77-K

Whereas, General Order No. 77-J revised June 21, 1985 by Resolution No. F-611 resulted in substantial change to the salary reporting requirements for public utilities. The revised resolution increased the reporting levels to \$40,000 for utilities with \$500,000 to \$1 million annual gross operating revenues and to \$60,000 for utilities with annual gross operating revenues of \$1 million but less than \$1 billion. In addition Resolution F-11 added a third provision to General Order No. 77-J. Utilities having annual gross operating revenues of \$1 billion or more are required to file the same information as utilities with annual gross operating revenues under \$1 billion except that the level of salaries is raised to \$75,000.

Whereas, these revisions to General Order 77-J resulted in substantial changes, General Order 77-J is redesignated as 77-K.

THEREFORE, IT IS ORDERED that the attached General Order No. 77-K supersedes General Order No. 77-J.

I hereby certify that this resolution was introduced, approved and adopted at a regular meeting of the Public Utilities Commission of the State of California on March 19, 1986. The following Commissioners voted favorably:
