RESOLUTION G-2676
May 7, 1986

RESOLUTION

SOUTHERN CALIFORNIA GAS COMPANY (SoCal Gas) ORDER
AUTHORIZING A MODIFICATION OF THE FIRST AMENDMENT
OF THE WHOLESALE GAS SERVICE AGREEMENT BETWEEN
SoCal Gas AND SAN DIEGO GAS & ELECTRIC COMPANY

SUMMARY:

By Advice Letter No. 1605, filed February 28, 1986, SoCal Gas has requested a modification to the Gas Service Agreement, which provides for wholesale service to San Diego Gas & Electric Company (SDG&E) to include the coming winter season (November 1, 1986 through April 15, 1987), as well as the winter seasons established by the first Amendment to this agreement.

This Resolution will merely extend the agreement for one additional winter season. The agreement and the amendment with SDG&E which provides for increased gas pressures to meet the winter demand will remain the same in all other respects.

This filing will not increase any rate or charge, conflict with any rule or schedule nor cause the withdrawal of service.

This modification has been reviewed by the staff of the Service and Safety and Energy Branches of the Evaluation and Compliance Division and approval is recommended.

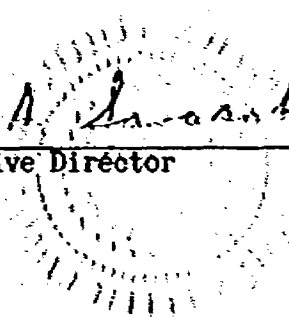

Public notification of this filing has been made by supplying copies of the filing to other utilities, governmental agencies, and to all interested parties who requested such notification. The Commission staff has received no protests in this matter.

We find this modification is just and reasonable and to be in the best interest of both SoCal Gas and SDG&E ratepayers.

THEREFORE:

1. Southern California Gas Company is authorized by Sections 454 and 532 of the Public Utilities Code to place Advice Letter No. 1605-G and accompanying modification of First Amendment with SDG&E into effect today.
2. Southern California Gas is further directed to make an entry in the List of Contracts and Deviations for San Diego Gas & Electric Company to show a complete listing of all contracts.
3. The above advice letter shall be marked to show that it was approved for filing by Commission Resolution No. G-2676.

I certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on May 7, 1986. The following Commissioners approved it:
