R E S O L U T I O N

TEMPORARY SUSPENSION OF THE PASSENGER STAGE  
CARRIER CERTIFICATE OF PEGGY ROBINSON DBA  
GREAT AMERICAN STAGE LINE, PSC-1243

Peggy Robinson (Robinson) is an individual passenger stage carrier (PSC-1243) authorized by Decision (D.)82-08-087 in Application (A.) 82-04-62, to transport passengers and their baggages between the City of Folsom and Sacramento Metropolitan Airport.

In a letter to the Commission dated December 5, 1985, Robinson states that business has recently declined. She states that there is insufficient patronage to support the operation of the Sacramento Metropolitan Airport route and she is financially unable to meet the insurance requirements required by the Airport, which are higher than those required by the Commission.

Under the circumstances, the Commission finds that public convenience and necessity do not require that Peggy L. Robinson operate the Sacramento Metropolitan Airport route at this time.

IT IS ORDERED that:

1. The portion of the authority, described in Appendix PSC-1243, Section 1, Paragraph d, Subsection 6, is hereby suspended for a period of one year from the effective date of this resolution.
2. Peggy L. Robinson shall file suspension supplements to tariffs and timetables now on file with the Commission.
3. Prior to resumption of service tariff and timetables supplements cancelling the suspension supplements shall be filed on not less than five days' notice to the public and the Commission.

4. The authority to suspend operations granted by this resolution shall expire one year from the effective date of this resolution or upon the earlier resumption of service, which may be accomplished through compliance with the Paragraph 3 of this resolution.
5. Sixty days prior to the expiration of this suspension authorization, Peggy L. Robinson shall notify the Commission whether she intends to resume service, if she has not already done so.

The Executive Director shall mail a certified copy of this resolution to:

Peggy L. Robinson

This resolution is effective today.
