RESOLUTION GRANTING PCSTC, INC. DBA PACIFIC COAST SIGHTSEEING TOURS AND CHARTERS ROUTE REVISION DOCKET REQUEST AT THE DOUBLETREE HOTEL IN THE CITY OF ORANGE AND MEDIEVAL TIMES IN BUENA PARK.

PCSTC, Inc., dba Pacific Coast Sightseeing Tours and Charters (Pacific Coast) is a passenger stage corporation (PSC-1411) authorized to transport passengers between the Disneyland service area in the City of Anaheim and points in the City of Buena Park.

Pacific Coast has filed a request with the Commission pursuant to the Commission's Route Revision Docket procedure for the revision of passenger stage routes.

This request seeks to add two new passenger pickup and discharge points to Pacific Coast's service area. The first is the Doubletree Hotel in the City of Orange. This is a new 400-room hotel located two blocks outside the city limits of Anaheim, which are the boundary of Pacific Coast's service area at that point. Large tour packagers who are Pacific Coast clients, as well as the hotel management have asked for the stop to be made.

The second pickup and discharge point to be added is Medieval Times, a new tourist attraction in Buena Park. Tour packagers, Medieval Times itself, and hotels in the Disneyland service area have requested that this service point be added. It is directly across the street from Pacific Coast's existing service point at Movieland Wax Museum and will not require deviation from the existing route.

Notice of this request appeared in the Commission's Transportation Calendar. No protests were received.

The Commission has considered the request and finds that the following is justified and is hereby granted:
