RESOLUTION GRANTING CAPITOL CITY CO-OP COMMUTER  
ROUTE REVISION DOCKET REQUEST FOR RELOCATING A  
PASSENGER PICKUP AND DISCHARGE POINT IN SACRAMENTO

Capitol City Co-op Commuter (Capitol) (PSC-1295) is a passenger stage corporation authorized to transport passengers and baggage between designated points in the City and County of Sacramento and the San Francisco International Airport.

Capitol has filed a request with the Commission pursuant to the Commission's Route Revision Docket procedure for the revision of passenger stage operating routes.

This request seeks to move a passenger pickup and discharge point in Sacramento from its present location at the Pancake Parade at 30th and J Streets to Eppie's Restaurant at 30th and N Streets. The move is necessary because Pancake Parade has been torn down, leaving no adequate facilities for passengers to wait.

Notice of this request appeared in the Commission's Transportation Calendar. No protests were received.

The Commission has considered the request and finds that the following is justified and is hereby granted:
