SPECIAL TARIFF DOCKET REQUEST

9948

WESTERN MOTOR TARIFF BUREAU, INC., Agent (WMT), by R. G. Moon, Tariff Issuing Officer, for and on behalf of Condor Freight Lines, Inc. (Cal T-108065), hereby applies for authority pursuant to Sections 452 and 491 of the Public Utilities Code for an order granting permission to reinstate, on not less than five days' notice, Item 2363 to WMT Tariff 20-4 CFRI, CA PUC 76, resulting in a technical reduction.

JUSTIFICATION

During July 1987 seventeen items in CFRI's Tariff 20-4 based on Rate Reductions were eliminated from the tariff to bring it into compliance with CA PUC Resolution TS-674. Among them was Item 2363. Due to a lack of close scrutiny it was thought that the entire item was predicated on Rate Reduction 343. As it turns out, only the 2,000 pound minimum weight scale and rates thereunder were subject to Rate Reduction 343. All other rates appearing on 5th Revised Page 16-CA are at the current transition level and their cancellation was not authorized under CA PUC Resolution TS-674. See Exhibit "A" attached hereto.

In view of the above special circumstances and conditions, petitioner respectfully requests that the authority herein sought be granted.

I hereby certify under penalty of perjury that the foregoing is true and correct.

Provisions herein, to our knowledge, if effective, will not affect the fuel efficiency of the carriers involved.
