Special Tariff Docket
Request Numbered Same as
Order Number Above.

In conformity with the findings and order made by the Commission in a resolution entered this day, the request, copy of which is attached hereto and by this reference made a part hereof, is granted, subject to the following conditions:

1. That schedules containing the rates authorized herein shall make reference to prior authorities granting the long and short haul departures and to this authority.
2. That the authority herein granted shall not supersede or be in lieu of any outstanding authority heretofore granted under Section 460 of the Public Utilities Code.

NONE

The authority herein granted is limited strictly to its terms, and shall expire unless the tariff provisions authorized herein are published and filed in the San Francisco office of this Commission within ninety days after the date hereof. The item of tariff or supplement issued pursuant to this order shall bear reference to this order in substantially the following form:

"Authorized by Cal. P.U.C. Order No. STD-10,009 _____."

This order issued May 8, 1991, by the Public Utilities Commission of the State of California by the adoption of the resolution of which this order is a part.

Respectfully shows:

Highway common carriers and express corporations are operating as common carriers pursuant to the authority of the Commission and in accordance with tariffs filed with this Commission; which tariffs are also subject to and governed by the National Motor Freight Classification NMF 100-Q and supplements thereto.

II.

An order is requested for the adoption of Supplement 9, a suspension supplement, to the National Motor Freight Classification NMF 100-Q and to make such provisions applicable to the tariffs of highway common carriers and express corporations, which participate in and are listed in its Classification under authority of power of attorney. Supplement 9 suspends portions of Supplement 9 at the direction of the Interstate Commerce Commission.

Items 3020-A through 4540-A, involving various Acids, as published on pages 41 and 42 of Supplement 8 to NMF 100-Q, with an effective date of March 30, 1991, have been suspended to and including October 29, 1991, by order of the Interstate Commerce Commission in Board of Suspension Case No. 71548. The involved amendments therefore, will not become effective as scheduled and may not be used during the period of suspension.

III.

Attached hereto and by this reference made a part of this filing are the following exhibits detailing such revisions:
