SUBJECT: American Communications Network. Order revoking the Certificate of Public Convenience and Necessity granted by D.84-05-008. Resolution No. T-11020.

WHEREAS: AMERICAN COMMUNICATIONS NETWORK, by letter dated February 20, 1986 requests that the authority granted by Decision 84-05-008 to operate within the State of California as an interLATA reseller be revoked.

On April 19, 1984 American Communications Network filed A.84-04-105 to provide interLATA telecommunications services as is required under Section 1001 of the Public Utilities Code. This application was granted by D.84-05-008 on May 2, 1984. Since receiving operating authority American Communications has ceased operation as an interLATA common carrier within California. As of February 13, 1986 American Communications filed Chapter XI bankruptcy and is no longer engaged in business. Inasmuch as American Communications does not operate as a reseller within California, it requests that its operating authority be revoked.

The Commission finds that the authority granted by D.84-05-008 should be revoked pursuant to the request of American Communications Network; and good cause appearing,

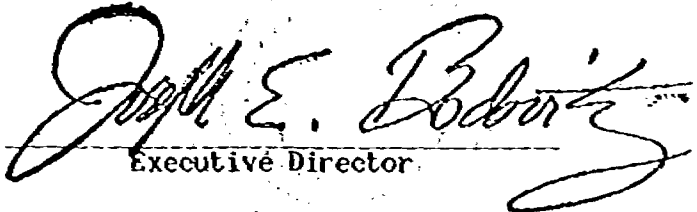

IT IS ORDERED that:

- (1) The operating authority granted to American Communications Network by D.84-05-008 is revoked and filed tariff schedules are cancelled.
- (2) American Communications Network is no longer designated as a service supplier as defined in Part 22, Chapter 1, Section 44016 of the Revenue Taxation Code.
- (3) American Communications Network is no longer subject to the user fee as a percentage of gross intrastate revenue pursuant to Public Utilities Code Sections 431-435.

(4) A copy of this Resolution shall be placed in the formal files of A.84-04-008.

The effective date of this Resolution is today.
