SUBJECT: Freedom Telecommunications, Inc. Order revoking the Certificate of Public Convenience and Necessity granted by D.84-07-083. Resolution No. T-11051.

WHEREAS: FREEDOM TELECOMMUNICATIONS INC., by letter dated June 16, 1986 requests that the authority granted by Decision 84-07-083 to operate within the State of California as an interLATA reseller be revoked.

On June 5, 1984 Freedom Telecommunications, Inc. filed A.84-06-009 to provide interLATA telecommunications services as is required under Section 1001 of the Public Utilities Code. This application was granted by D.84-07-083 on July 5, 1984. Since receiving operating authority Freedom Telecommunications has ceased operation as an interLATA common carrier within California. As of March 6, 1986, Freedom Telecommunications is no longer engaged in business. Inasmuch as Freedom Telecommunications does not operate as a reseller within California, it requests that its operating authority be revoked.

The Commission finds that the authority granted by D.84-07-083 should be revoked pursuant to the request of Freedom Telecommunications Inc.; and good cause appearing,

IT IS ORDERED that:

- (1) The operating authority granted to Freedom Telecommunications, Inc. by D.84-07-083 is revoked and filed tariff schedules are cancelled.
- (2) Freedom Telecommunications Inc. is no longer designated as a service supplier as defined in Part 22, Chapter 1, Section 44016 of the Revenue Taxation Code.
- (3) Freedom Telecommunications Inc. is no longer subject to the user fee as a percentage of gross intrastate revenue pursuant to Public Utilities Code Sections 431-435.

(4) A copy of this Resolution shall be placed in the formal files of A.84-06-009.

The effective date of this Resolution is today.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular meeting of the Public Utilities Commission of the State of California, held on July 16, 1986, the following Commissioners voting favorably thereon:
