SUBJECT: Sears Communications Company. Order revoking the Certificate of Public Convenience and Necessity granted by D.86-03-084. Resolution No. T-11052.

WHEREAS: SEARS COMMUNICATIONS COMPANY, by letter dated June 20, 1986 requests that the authority granted by Decision 86-03-084 to operate within the State of California as an interLATA reseller be revoked.

On January 6, 1986 Sears Communications Company filed A.86-01-006 to provide interLATA telecommunications services as is required under Section 1001 of the Public Utilities Code. This application was granted by D.86-03-884 on March 19, 1986. Since receiving operating authority Sears Communications Company has not provided service as an interLATA common carrier and has not filed tariff schedules to offer any services to the public. In addition Sears Communications Company no longer wishes to provide service within the State of California. Inasmuch as Sears Communications Company does not operate as a reseller within California, it requests that its operating authority be revoked.

The Commission finds that the authority granted by D.86-03-084 should be revoked pursuant to the request of Sears Communications Company; and good cause appearing,

IT IS ORDERED that:

- (1) The operating authority granted to Sears Communications Company by D.86-03-084 is revoked.
- (2) Sears Communications Company is no longer designated as a service supplier as defined in Part 22, Chapter 1, Section 44016 of the Revenue Taxation Code.
- (3) Sears Communications Company is no longer subject to the user fee as a percentage of gross intrastate revenue pursuant to Public Utilities Code Sections 431-435.

(4) A copy of this Resolution shall be placed in the formal files of A.86-01-006.

The effective date of this Resolution is today.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular meeting of the Public Utilities Commission of the State of California, held on July 16, 1986, the following Commissioners voting favorably thereon:
