SUBJECT: Pacific Bell. Order authorizing a contract to provide Fiber Optic Service to the Press Democrat Publishing Company.  
Resolution No. T-11056.

WHEREAS: PACIFIC BELL, by letter filed August 20, 1985, pursuant to Section 532 of the Public Utilities Code, Section X-A of General Order No. 96-A and Resolution T-4886, requests authority to enter into a contract agreement with the Press Democrat.

Under the terms of the agreement Pacific will provide Fiber Optic Service designed to handle 6.312 megabit digital data transmission to the Press Democrat Publishing Co. Pacific will provide the Fiber Optic Service between two of the customers premises, one located in the Santa Rosa Exchange and the other in Rohnert Park Exchange.

The Press Democrat Publishing Company, a division of the New York Times Company, requested Pacific to provide the fiber optic service with certain unique items and features and under terms and conditions which are not set forth in the tariffs. Because of the non-standard service arrangements, not suitable for a standard tariff, and the request of the customer, Pacific proposes to provide this service under a contractual agreement.

By letter of June 17, 1986, Pacific filed a modification to the original contract to change the rates and charges so that this service would generate positive cash flow for the 10 year contractual agreement.

The Commission finds that the rates, charges and conditions authorized in this Resolution are just and reasonable and good cause appearing,

IT IS ORDERED that:

(1) Authority is granted to make the above revisions effective on July 17, 1986.

(2) The agreement authorized herein shall be marked to show that such agreement was authorized under Resolution of the Public Utilities Commission of the State of California No. T-11056

The effective date of this Resolution is today.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular meeting of the Public Utilities Commission of the State of California, held on July 16, 1986 the following Commissioners voting favorably thereon:
