SUBJECT: Pacific Bell. Order authorizing a contract to provide Fiber Optic Service to Bank of America National Trust and savings Association. Resolution No. T-11089.

WHEREAS: PACIFIC BELL, by letter filed July 9, 1986, pursuant to Section 532 of the Public Utilities Code and Section X-A of General Order No. 96-A, requests authority to enter into a contract with Bank of America National Trust and Savings.

Under the terms of the agreement Pacific will provide a 45 Mbps (28 DS-1's) Fiber Optic Communication System between two customer premises located in Concord.

Bank of America National Trust and Savings requested Pacific Bell to provide the fiber optic service with certain unique items and features, under terms and conditions which are not set forth in the tariffs. Because of the non-standard service arrangements, which are not suitable for a standard tariff, and request of the customer, Pacific Bell proposes to provide this service under a contractual agreement.

Under the five year contract Bank of America National Trust and Savings will pay a non-recurring charge of \$95,950 and monthly charges of \$2,550 for this service. The ratio of revenues to costs for this contract is 1.16. This means that there will be a revenue contribution of 16% over Pacific's costs, which include a return on its investment at the authorized rate.

The Commission finds that the rates, charges and conditions authorized in this Resolution are just and reasonable, and good cause appearing,

IT IS ORDERED that:

(1) Authority is granted to make the above agreement effective on December 18, 1986.

(2) The agreement authorized herein shall be marked to show that such agreement was authorized under Resolution of the Public Utilities Commission of the State of California No. T-11089.

The effective date of this Resolution is today.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular meeting of the Public Utilities Commission of the State of California, held on December 17, 1986 with the following Commissioners voting favorably thereon:
