SUBJECT: All Local Exchange Carriers (LECs). Order requiring all LECs to file revised tariff schedules to reflect the adjustment in the income limitation requirement applicable to Universal Lifeline Telephone Service. Resolution No. T-12000.

WHEREAS: Section 3.1.1.1 of General Order 153 requires the Commission annually to adjust by February 15 of each year the income limitation requirement applicable to Universal Lifeline Telephone Service (ULTS) to reflect inflation based on the Federal Consumer Price Index -- Urban Areas (CPI-U).

The current income limitation requirement from March 8, 1986 through March 7, 1987 is as follows:

<u>Household Size</u>	<u>Income Limitation</u>
1 - 2	\$11,900
3	13,800
4	16,600
5	19,400
6	22,200
7	25,000

(For Each Additional Member add \$2,800)

The latest data available show that the percentage change in the 1986 calendar year average CPI-U over the 1985 calendar year average CPI-U is 2.0 percent. Therefore, the new income limitation requirement in effect from March 8, 1987 through March 7, 1988 is as follows:

<u>Household Size</u>	<u>Income Limitation</u>
1 - 2	\$12,100
3	14,100
4	17,000
5	19,900
6	22,800
7	25,700

(For Each Additional Member add \$2,900)

The income claimed by customers in applications for Universal Lifeline Telephone Service is subject to verification at any time by the serving telephone utility and/or by the Commission and its staff. If it is found the income claimed by a lifeline customer actually exceeds the income limitation specified above, back billing at full tariff rates will be assessed.

The Commission finds that the rates, charges and conditions authorized in this Resolution are just and reasonable and present rates, charges and conditions, as they differ from the rates, charges and conditions authorized in this Resolution are for the future unjust and unreasonable; and good cause appearing,

IT IS ORDERED that:

(1) All Local Exchange Carriers shall file revised tariff schedules increasing the income limitation requirement applicable to Universal Telephone Service as specified in this resolution by February 20, 1987, and these revised tariff schedules shall be effective from March 8, 1987 through March 7, 1988.

(2) All tariff sheets filed under the authority granted by this resolution shall be marked to show that such sheets were authorized by Resolution of the Public Utilities Commission of the State of California No. T-12000.

The effective date of this Resolution is today.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular meeting of the Public Utilities Commission of the State of California, held on February 11, 1987, the following Commissioners voting favorable thereon:

STANLEY W. HULETT
