

Resolution T-14222  
Effective November 9, 1990

Federal Aviation Administration, and the Federal Communications Commission.

The proposed construction will be located at 522 South Sepulveda Boulevard, Belair, California and is known as the Los Angeles Cell Site 242. It will consist of antennas to be mounted inside an existing building, on the second floor, behind existing windows. Equipment will be located on the first floor of the same building.

The Los Angeles Cellular Site #242 will become part of LACTC's cellular system serving the Los Angeles Geographic Cellular Geographic Service Area.

Public notice that LOS ANGELES CELLULAR TELEPHONE COMPANY filed Advice Letter No. 74 requesting authority to construct the Los Angeles Cellular Site #242 appeared in the California Public Utilities Commission's October 11, 1990 Daily Calendar. In addition, copies of LACTC's Advice Letter No. 74 were mailed in accordance with the Commission's General Order No. 96-A, Section III. G, to competing utilities either privately or publicly owned, adjacent utilities either privately or publicly owned, utilities having requested such notification, and other interested parties having requested such notification.

PROTESTS

No protests have been filed on LACTC's Advice Letter No. 74.

FINDINGS

1. On October 10, 1990, Los Angeles Cellular Telephone Company filed Advice Letter No. 74 requesting Executive authorization to construct the Los Angeles Cellular Site #242 located at 522 South Sepulveda Boulevard, Belair, California.
