SITE IN THE VENTURA METROPOLITAN STATISTICAL AREA.

BY ADVICE LETTER NO. 21, FILED ON NOVEMBER 28, 1990.

SUMMARY

VENTURA CELLULAR TELEPHONE COMPANY (Ventura Cellular), by Advice Letter No. 21, filed on November 28, 1990, requests authority under the provisions of General Order 159 (G.O. 159) and Decision No. 90-03-080 (March 28, 1990) to add a new cellular radiotelephone cell site to its existing cellular system serving the Ventura Metropolitan Statistical Area. This Resolution authorizes the construction of the new cell site, known as the Camarillo site, located at the corner of Grandview and Cedar Avenue in the City of Camarillo, CA. No protests to this Advice Letter have been filed.

BACKGROUND

Under G.O. 159 (D.90-03-080), a cellular utility must obtain authorization from the Commission before construction of cellular facilities not described in its application for a certificate of public convenience and necessity. A cellular utility must file an advice letter requesting authorization to construct after it has received all approvals for the proposed construction required by any governmental agencies with jurisdiction over the proposed construction, or which would have jurisdiction absent the Commission's preemption.

DISCUSSION

Advice Letter No. 21 contains all the information required under G.O. 159 to be included in an Advice Letter filing for authority to construct additional cellular facilities.

Ventura Cellular has obtained permits or approvals from the following governmental entities and asserts that these entities comprise all governmental entities that have jurisdiction over the proposed construction (with the exception of the California Public Utilities Commission): the City of Camarillo, the Federal Aviation Administration, and the Federal Communications Commission.

The proposed construction will be located at the corner of Grandview and Cedar Avenue in the City of Camarillo, CA and is known as the Camarillo site. It will consist of 12 antennas and

In addition, copies of Ventura Cellular's Advice Letter No. 21 were mailed in accordance with the Commission's General Order No. 96-A, Section III.
