R E S O L U T I O N

RESOLUTION T-14368. SALINAS CELLULAR TELEPHONE COMPANY.  
EXECUTIVE ORDER AUTHORIZING THE ADDITION OF A NEW CELL  
SITE IN THE SALINAS-SEASIDE-MONTEREY CELLULAR GEOGRAPHIC  
SERVICE AREA.

BY ADVICE LETTER NO. 17, FILED ON FEBRUARY 14, 1991.

---

SUMMARY

SALINAS CELLULAR TELEPHONE COMPANY (Salinas Cellular), by Advice Letter No. 17, filed on February 14, 1991, requests authority under the provisions of General Order 159 (G.O. 159) and Decision No. 90-03-080 (March 28, 1990) to add a new cellular radiotelephone cell site to its existing cellular system serving the Salinas-Seaside-Monterey Cellular Geographic Service Area. This Resolution authorizes the construction of the new cell site, known as the Pebble Beach site, located at Sunridge Road, Monterey, CA. No protests to this Advice Letter have been received.

BACKGROUND

Under G.O. 159 (D.90-03-080), a cellular utility must obtain authorization from the Commission before construction of cellular facilities not described in the decision granting the certificate of public convenience and necessity. A cellular utility must file an advice letter requesting authorization to construct after it has received all approvals for the proposed construction required by any governmental agencies with jurisdiction over the proposed construction, or which would have jurisdiction absent the Commission's preemption.

DISCUSSION

Advice Letter No. 17 contains all the information required under G.O. 159 to be included in an Advice Letter filing for authority to construct additional cellular facilities.

The Pebble Beach site represents an additional cellular radiotelephone facility not described in D.89-03-019, granting Salinas Cellular a certificate of public convenience and necessity.

Salinas Cellular has obtained permits or approvals from the following governmental entities and asserts that these entities comprise all governmental entities that have jurisdiction over the proposed construction (with the exception of the California Public Utilities Commission): the County of Monterey, the

Federal Aviation Administration, and the Federal Communications Commission.

The proposed construction will be located at Sunridge Road, Monterey, CA and is known as the Pebble Beach site. It will consist of antennas mounted on a 100-foot monopole and an equipment shelter.

The Pebble Beach site will become part of Salinas Cellular's cellular system serving the Salinas-Seaside-Monterey Cellular Geographic Service Area.

#### NOTICE

Public notice that SALINAS CELLULAR TELEPHONE COMPANY filed Advice Letter No. 17 requesting authority to construct the Pebble Beach site appeared in the California Public Utilities Commission's February 19, 1991 Daily Calendar. In addition, copies of Salinas Cellular's Advice Letter No. 17 were mailed in accordance with the Commission's General Order No. 96-A, Section III. G, to competing utilities either privately or publicly owned, adjacent utilities either privately or publicly owned, utilities having requested such notification, and other interested parties having requested such notification.
