EXECUTIVE ORDER AUTHORIZING THE ADDITION OF A CELL SITE
IN THE SALINAS SEASIDE MONTEREY CELLULAR GEOGRAPHIC
SERVICE AREA.

BY ADVICE LETTER NO. 24, FILED ON MAY 6, 1991.

SUMMARY

SALINAS CELLULAR TELEPHONE COMPANY (SALINAS CELLULAR), by Advice Letter No. 24, filed on May 6, 1991, requests authority under the provisions of General Order 159 (G.O. 159) and Decision No. 90-03-080 (March 28, 1990) to add a new cellular radiotelephone cell site to its existing cellular system serving the Salinas-Seaside-Monterey Cellular Geographic Service Area. This Resolution authorizes the construction of the cell site, known as the Downtown Monterey site, located at Two Portola Plaza, Monterey, CA. No protests to this Advice Letter have been received.

BACKGROUND

Under G.O. 159 (D.90-03-080), a cellular utility must obtain authorization from the Commission before construction of cellular facilities not described in the decision granting the certificate of public convenience and necessity. A cellular utility must file an advice letter requesting authorization to construct after it has received all approvals for the proposed construction required by any governmental agencies with jurisdiction over the proposed construction, or which would have jurisdiction absent the Commission's preemption.

DISCUSSION

Advice Letter No. 24 contains all the information required under G.O. 159 to be included in an Advice Letter filing for authority to construct additional cellular facilities.

The Downtown Monterey site represents an additional cellular radiotelephone facility not described in D.89-03-019, granting SALINAS CELLULAR a certificate of public convenience and necessity.

The proposed construction will be located at Two Portola Plaza, Monterey, CA and is known as the Downtown Monterey site. Nine cellular antennas will be side-mounted on the rooftop of an existing building. A 9' x 26' x 10' wooden equipment shelter housing radio transmitting and receiving equipment will be enclosed by extending two existing parapet walls and adding two walls and a 10' ceiling.

The Downtown Monterey site will become part of SALINAS CELLULAR's cellular system serving the Salinas-Seaside-Monterey Cellular Geographic Service Area.
