R E S O L U T I O N

RESOLUTION T-14547. FRESNO MSA LIMITED PARTNERSHIP.
EXECUTIVE ORDER AUTHORIZING THE ADDITION OF A CELL SITE
IN THE BAKERSFIELD METROPOLITAN SERVICE AREA.

BY ADVICE LETTER NO. 34, FILED ON JULY 7, 1991.

SUMMARY

FRESNO MSA LIMITED PARTNERSHIP (FMLP), by Advice Letter No. 34, filed on July 7, 1991, requests authority under the provisions of General Order 159 (G.O. 159) and Decision No. 90-03-080 (March 28, 1990) to add a cellular radiotelephone cell site to its existing cellular system serving the Bakersfield Metropolitan Service Area. This Resolution authorizes the construction of the cell site, known as the Grapevine site, located at Grapevine Peak in Kern County. No protests to this Advice Letter have been received.

BACKGROUND

Under G.O. 159 (D.90-03-080), a cellular utility must obtain authorization from the Commission before construction of cellular facilities not described in the decision granting the certificate of public convenience and necessity. A cellular utility must file an advice letter requesting authorization to construct after it has received all approvals for the proposed construction required by any governmental agencies with jurisdiction over the proposed construction, or which would have jurisdiction absent the Commission's preemption.

DISCUSSION

Advice Letter No. 34 contains all the information required under G.O. 159 to be included in an Advice Letter filing for authority to construct additional cellular facilities.

The Grapevine site represents an additional cellular radiotelephone facility not described in Decision 85-11-055, granting FMLP a certificate of public convenience and necessity.

The proposed construction will be located at Grapevine Peak in Kern County and is known as the Grapevine site. It will consist of a 120 foot monopole, a 12 foot by 28 foot equipment shelter, communication equipment, a DC powerplant, seven antennas, and two 8 foot dishes.

The Grapevine site will become part of FMLP's cellular system serving the Bakersfield Metropolitan Service Area.
