EXECUTIVE ORDER AUTHORIZING THE ADDITION OF A CELL SITE
IN THE RURAL STATISTICAL AREA NUMBER 4.

BY ADVICE LETTER NO. 35, FILED ON JULY 11, 1991.

SUMMARY

FRESNO CELLULAR TELEPHONE COMPANY (FCTC), by Advice Letter No. 35, filed on JULY 11, 1991, requests authority under the provisions of General Order 159 (G.O. 159) and Decision No. 90-03-080 (March 28, 1990) to add a cellular radiotelephone cell site to its existing cellular system serving the Rural Statistical Area Number 4. This Resolution authorizes the construction of the cell site, known as the Madera site, located at 40457 1/2 A Avenue 10, Madera CA. No protests to this Advice Letter have been received.

BACKGROUND

Under G.O. 159 (D.90-03-080), a cellular utility must obtain authorization from the Commission before construction of cellular facilities not described in the decision granting the certificate of public convenience and necessity. A cellular utility must file an advice letter requesting authorization to construct after it has received all approvals for the proposed construction required by any governmental agencies with jurisdiction over the proposed construction, or which would have jurisdiction absent the Commission's preemption.

DISCUSSION

Advice Letter No. 35 contains all the information required under G.O. 159 to be included in an Advice Letter filing for authority to construct additional cellular facilities.

The Madera site represents an additional cellular radiotelephone facility not described in D.87-10-036, granting FCTC a certificate of public convenience and necessity.
