RESOLUTION T-14630  
Date: October 7, 1991

R E S O L U T I O N

RESOLUTION T-14630. ATLANTIC CELLULAR DBA MOUNTAIN CELLULAR. EXECUTIVE ORDER AUTHORIZING THE ADDITION OF A CELL SITE IN THE CALIFORNIA RURAL SERVICE AREA NUMBER 11.

BY ADVICE LETTER NO. 15, FILED ON SEPTEMBER 5, 1991.

---

SUMMARY

ATLANTIC CELLULAR DBA MOUNTAIN CELLULAR (ACMC), by Advice Letter No. 15, filed on September 5, 1991, requests authority under the provisions of General Order 159 (G.O. 159) and Decision No. 90-03-080 (March 28, 1990) to add a cellular radiotelephone cell site to its existing cellular system serving the California Rural Service Area Number 11. This Resolution authorizes the construction of the cell site, known as the White Rock site, located at 14751 White Rock Road, Sacramento County, CA. No protests to this Advice Letter have been received.

BACKGROUND

Under G.O. 159 (D.90-03-080), a cellular utility must obtain authorization from the Commission before construction of cellular facilities not described in the decision granting the certificate of public convenience and necessity. A cellular utility must file an advice letter requesting authorization to construct after it has received all approvals for the proposed construction required by any governmental agencies with jurisdiction over the proposed construction, or which would have jurisdiction absent the Commission's preemption.

DISCUSSION

Advice Letter No. 15 contains all the information required under G.O. 159 to be included in an Advice Letter filing for authority to construct additional cellular facilities.

The White Rock site represents an additional cellular radiotelephone facility not described in Decision 90-07-061, granting ACMC a certificate of public convenience and necessity.

Resolution T-14630  
October 7, 1991  
ACMC/A.L. No. 15/KBW

ACMC has obtained permits or approvals from the following governmental entities and asserts that these entities comprise all governmental entities that have jurisdiction over the proposed construction (with the exception of the California Public Utilities Commission); the Federal Communications Commission, the Federal Aviation Administration, and the County of Sacramento.

The proposed construction will be located at 14751 White Rock Road, Sacramento County, CA and is known as the White Rock site. It will consist of two cellular antennas placed on an existing 80 foot wooden pole and communication equipment placed within an existing PacTel Cellular equipment shelter.

The White Rock site will become part of ACMC's cellular system serving the California Rural Service Area Number 11.

#### NOTICE

Public notice that ATLANTIC CELLULAR DBA MOUNTAIN CELLULAR filed Advice Letter No. 15 requesting authority to construct the White Rock site appeared in the California Public Utilities Commission's September 13, 1991 Daily Calendar. In addition, copies of ACMC's Advice Letter No. 15 were mailed in accordance with the Commission's General Order No. 96-A, Section III. G, to competing utilities either privately or publicly owned, adjacent utilities either privately or publicly owned, utilities having requested such notification, and other interested parties having requested such notification.
