RESOLUTION T-14752. U S WEST CELLULAR OF CALIFORNIA, INC. EXECUTIVE ORDER AUTHORIZING THE ADDITION OF A CELL SITE IN THE SAN DIEGO STATISTICAL AREA.

BY ADVICE LETTER NO. 66, FILED ON NOVEMBER 20, 1991.

SUMMARY

U S WEST CELLULAR OF CALIFORNIA, INC. (U S WEST), by Advice Letter No. 66, filed on November 20, 1991, requests authority under the provisions of General Order 159 (G.O. 159) and Decision No. 90-03-080 (March 28, 1990) to add a cellular radiotelephone cell site to its existing cellular system serving the San Diego Statistical Area. This Resolution authorizes the construction of the cell site, known as the San Clemente Canyon site, located at 4747 Morena Boulevard, San Diego, CA. No protests to this Advice Letter have been received.

BACKGROUND

Under G.O. 159 (D.90-03-080), a cellular utility must obtain authorization from the Commission before construction of cellular facilities not described in the decision granting the certificate of public convenience and necessity. A cellular utility must file an advice letter requesting authorization to construct after it has received all approvals for the proposed construction required by any governmental agencies with jurisdiction over the proposed construction, or which would have jurisdiction absent the Commission's preemption.

DISCUSSION

Advice Letter No. 66 contains all the information required under G.O. 159 to be included in an Advice Letter filing for authority to construct additional cellular facilities.

The San Clemente Canyon site represents an additional cellular radiotelephone facility not described in Decision 85-12-023, granting U S WEST a certificate of public convenience and necessity.

Resolution T-14752
Effective December 20, 1991

The proposed construction will be located at 4747 Morena Boulevard, San Diego, CA and is known as the San Clemente Canyon site. It will consist of six omnidirectional antennas mounted on the roof of an existing building and an equipment shelter.

The San Clemente Canyon site will become part of U S WEST's cellular system serving the San Diego Statistical Area.
