EXECUTIVE ORDER AUTHORIZING THE ADDITION OF A CELL SITE
IN THE SALINAS-SEASIDE-MONTEREY CELLULAR GEOGRAPHIC
SERVICE AREA.

BY ADVICE LETTER NO. 34, FILED ON DECEMBER 12, 1991.

SUMMARY

SALINAS CELLULAR TELEPHONE COMPANY (SALINAS CELLULAR), by Advice Letter No. 34, filed on December 12, 1991, requests authority under the provisions of General Order 159 (G.O. 159) and Decision No. 90-03-080 (March 28, 1990) to add a cellular radiotelephone cell site to its existing cellular system serving the Salinas-Seaside-Monterey Cellular Geographic Service Area. This Resolution authorizes the construction of the cell site, known as the King City site, located at South First Street and Lonoak Street, King City, CA. No protests to this Advice Letter have been received.

BACKGROUND

Under G.O. 159 (D.90-03-080), a cellular utility must obtain authorization from the Commission before construction of cellular facilities not described in the decision granting the certificate of public convenience and necessity. A cellular utility must file an advice letter requesting authorization to construct after it has received all approvals for the proposed construction required by any governmental agencies with jurisdiction over the proposed construction, or which would have jurisdiction absent the Commission's preemption.

DISCUSSION

Advice Letter No. 34 contains all the information required under G.O. 159 to be included in an Advice Letter filing for authority to construct additional cellular facilities.

The King City site represents an additional cellular radiotelephone facility not described in Decision 89-03-019, granting SALINAS CELLULAR a certificate of public convenience and necessity. It replaces the previously tariffed King City site at Thompson Canyon Road in Pine Canyon off Interstate 101.

The King City site will become part of SALINAS CELLULAR's cellular system serving the Salinas-Seaside-Monterey Cellular Geographic Service Area.
