COMMISSION ADVISORY AND COMPLIANCE DIVISION RESOLUTION T-15760
Telecommunications Branch June 21, 1995

R E S O L U T I O N

RESOLUTION T-15760. PACIFIC BELL (U-1001-C). REQUEST FOR EXTENSION OF PROVISIONAL AUTHORITY FOR ITS CUSTOM 800 SERVICE, SCHEDULE CAL.P.U.C. NO. A7.

BY ADVICE LETTER NO. 17489, FILED ON MAY 22, 1995, AS SUPPLEMENTED BY ADVICE LETTER NO. 17489A, FILED ON MAY 31, 1995.

SUMMARY

On May 22, 1995, Pacific Bell (Pacific) filed Advice Letter (AL) No. 17489 requesting a one month extension of its provisional authority to provide Custom 800 Service, Schedule Cal.P.U.C. No. A7. On May 31, 1995, Pacific supplemented this Advice Letter requesting a thirteen month extension until August 1, 1996 for its provisional authority.

This Resolution grants an extension of Pacific's provisional authority for Custom 800 Service. Provisional authority is effective until August 1, 1996, unless otherwise ordered by the California Public Utilities Commission (Commission).

BACKGROUND

On April 11, 1990, Resolution T-14064 granted Pacific two-year provisional authority to offer Custom 800 Service. On April 22, 1992, Resolution T-14928 extended Pacific's provisional authority until April 22, 1993. On April 21, 1993, Resolution T-15286 again extended Pacific's provisional authority until October 22, 1993. Resolution T-15453, dated December 17, 1993, extended this authority until October 22, 1994. On October 20, 1994, Pacific filed Advice Letter No. 17072A in compliance with Ordering Paragraphs 1 and 2 to Resolution T-15632 dated October 12, 1994. AL No. 17072A extended Pacific provisional authority until July 1, 1995.

Pacific filed AL No. 17489 on May 22, 1995, seeking to extend its provisional authority for Custom 800 Service for one month. On May 31, 1995, Pacific supplemented AL No. 17489 requesting that its provisional authority be extended until August 1, 1996.

PROTEST

Notice of this Advice Letter was published in the Commission's Daily Calendar of May 30, 1995. Notice of the supplemental Advice Letter No. 17489A appeared on the Commission's Daily Calendar of June 2, 1995. The Commission Advisory and Compliance Division (CACD) has received no protest to AL No. 17489 as supplemented.

DISCUSSION

CACD has reviewed AL Nos. 17489 and 17489A. CACD is aware that Pacific's provisional authority for Custom 800 Service expires on July 1, 1995. Custom 800 Service currently has customers who would be harmed if Pacific's provisional authority expired and Pacific was forced to discontinue services. Therefore, CACD believes that it is reasonable to extend Pacific's provisional authority for its Custom 800 Service until August 1, 1996

FINDINGS

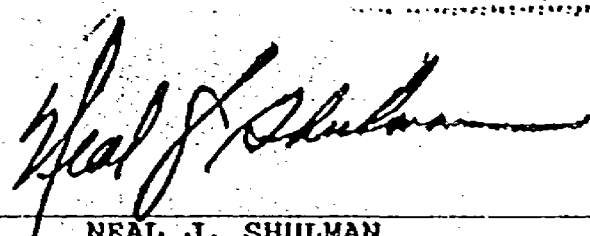

1. Pacific's Advice Letter No. 17489A requests an extension until August 1, 1996 for provisional authority granted by Resolution T-14064 and extended by Resolution T-14928, Resolution T-15286, Resolution T-15453 and Resolution T-15632.
2. CACD has received no protest to Advice Letter No. 17489 or supplemental Advice Letter No. 17489A.
3. Current customers of Custom 800 Service would be harmed if Pacific's provisional authority expires and Pacific was forced to discontinue service
4. It is reasonable to extend Pacific's provisional authority for its Custom 800 Service until August 1, 1996.

THEREFORE, IT IS ORDERED that:

1. Pacific Bell's (Pacific) provisional authority to offer Custom 800 Service under the conditions imposed in Commission Resolution T-14064 and extended by Resolution T-14928, Resolution T-15286, Resolution T-15453 and Resolution T-15632, is extended until August 1, 1996, or until further order of the Commission.
2. Advice Letter No. 17489 as supplemented and the associated tariff sheets shall be market to show that they were authorized by Commission Resolution T-15760.

The effective date of this Resolution is today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on June 21, 1995. The following Commissioners approved it:
