

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

TELECOMMUNICATIONS DIVISION
CARRIER BRANCH

RESOLUTION T-16042
JULY 16, 1997

R E S O L U T I O N

RESOLUTION T-16042. REVOCATION OF THE CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY OF TELECOMMUNICATIONS INTERNATIONAL, INC. (U-5164-C).

SUMMARY

This Resolution revokes the Certificate of Public Convenience and Necessity (CPCN) of Telecommunications International, Inc., for failure to meet its obligations as a nondominant interexchange carrier (NDIEC). The authority to revoke the CPCN for this reason was granted in Decision 93-05-010, Ordering Paragraph 4.

BACKGROUND

Telecommunications International, Inc. applied for its Certificate of Public Convenience and Necessity (CPCN) in A.88-05-051 under the name ZC ZC LA, Inc. It was granted its CPCN in D.88-09-048 on September 28, 1988. The company filed its tariff on October 14, 1988, and it was effective on October 19, 1988. The company apparently has no customers.

DISCUSSION

Our records show that Telecommunications International, Inc. has failed to do the following since 1995:

1. File tariff updates on CPUC-mandated surcharges and other items;
2. Remit User Fee (required by PU Code Sects. 431-435);
3. Remit California Relay Service and Communications Devices Fund Fee (required by PU Code Sect. 2881);
4. Remit Universal Lifeline Telephone Service Fee (required by D.87-07-090);
5. Remit California High Cost Fund fee (required by PU Code Sect. 739.30); and
5. File Annual Financial Reports (required by General Order 104-A).

July 16, 1997

The Telecommunications Division has received return mail from the company's last known address over many months and has tried unsuccessfully to reach the company at its last known telephone number. The company's last known attorney has no current information on the company's status or location.

The company apparently has no customers.

FINDINGS

1. Telecommunications International, Inc. has not paid the required fees and submitted the required reports, as detailed in the Discussion section above.
2. D.93-05-010 authorizes the Commission Advisory and Compliance Division (now Telecommunications Division) to prepare a Resolution revoking a carrier's CPCN when it is at least 90 days late in fee payments.
3. The company apparently has no customers.
4. Telecommunications International, Inc.'s CPCN should be revoked.

THEREFORE, IT IS ORDERED that:

1. The Certificate of Public Convenience and Necessity previously granted to Telecommunications International, Inc. is revoked.
2. The CPUC Corporate Identification Number U-5164-C will also be cancelled and will not be reissued.
3. A copy of this resolution shall be placed in the Commission's formal file for Application No. 88-05-051.

July 16, 1997

The effective date of this Resolution is today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on July 16, 1997. The following Commissioners approved it:
