Resolution TED-13
Safety Division

R E S O L U T I O N

GRANTING EXTENSION OF TIME TO COMPLETE CONSTRUCTION
OF INDUSTRIAL DRILL TRACK AT-GRADE ACROSS WALL
STREET IN ONTARIO, SAN BERNARDINO COUNTY.

The City of Ontario (City), by letter dated November 14, 1988, requests an extension of time to December 1, 1989 to comply with the provisions of Decision (D.) 88-03-051 and D.85-10-032 which authorized the construction of an industrial drill track across Wall Street in Ontario, San Bernardino County, to be identified as Crossing B-527.12-C.

The Southern Pacific Transportation Company had indicated that it has no objection to the requested extension of time. The staff finds that there has been no substantial change in circumstances since the original authority was granted by Commission D.88-03-051 and D.85-10-032.

IT IS RESOLVED that the City of Ontario is granted an extension of time until December 1, 1989, to exercise the authority granted by D.88-03-051 in Application (A.) 87-12-007 and D.85-10-032 in A.85-06-053. In all other respects, D.88-03-051 and D.85-10-032 shall remain in full force and effect.

This resolution is issued pursuant to Resolution ET-1367 and memorandum by the Executive Director dated April 6, 1988, and is effective today, MAY 25, 1989
