

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

RESOLUTION TED-17
Safety Division

R E S O L U T I O N

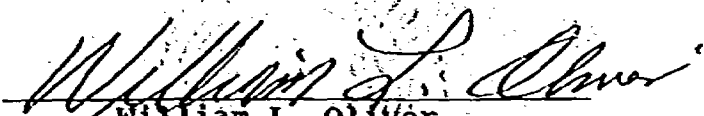

GRANTING EXTENSION OF TIME TO COMPLETE CONSTRUCTION OF
WHEELER AVENUE ACROSS THE TRACKS OF SOUTHERN PACIFIC
TRANSPORTATION COMPANY IN THE CITY OF LA VERNE, LOS
ANGELES COUNTY.

The City of La Verne (City), by letter dated May 18, 1989, requests an extension of time from December 25, 1989 to June 25, 1991 to comply with the provisions of Decision (D.) 87-11-039 dated November 25, 1987, in Application (A.) 86-07-002 which authorized the construction of Wheeler Avenue across the tracks of Southern Pacific Transportation Company's (SPT) Baldwin Park Branch Line in La Verne, Los Angeles County, identified as Crossing BB0-511.33.

SPT by letter dated June 21, 1989 has indicated it has no objection to the requested extension of time. The staff finds that there has been no substantial change in circumstances since the original authority was granted.

IT IS RESOLVED that the City of La Verne is granted an extension of time until June 25, 1991, to exercise the authority granted by D.87-11-039. In all other respects, D.87-11-039 shall remain in full force and effect.

This resolution is issued pursuant to Resolution ET-1367 and memorandum by the Executive Director dated April 6, 1988, and is effective today, JULY 26, 1989.

William L. Oliver
Assistant Director
Safety Division
