RESOLUTION TED-34
Safety Division

R E S O L U T I O N

GRANTING EXTENSION OF TIME FOR AUTHORITY TO CONSTRUCT A CROSSING AT SEPARATED GRADES AT MONTE VISTA AVENUE UNDER THE TRACKS OF THE ATCHISON, TOPEKA AND SANTA FE RAILWAY COMPANY'S MAIN LINE IN MONTCLAIR, SAN BERNARDINO COUNTY.

By letter dated December 13, 1990 City of Montclair(City) requests a two year extension of time from April 22, 1991 to April 22, 1993 to comply with the provisions of Decision (D.)88-03-074, dated March 23, 1988, in Application (A.)87-09-004, which authorized the construction of a crossing at separated grades at Monte Vista Avenue under the tracks of The Atchison, Topeka & Santa Fe Railway Company's(AT&SF) Main Line in Montclair, San Bernardino County, to be identified as Crossing 2-103.74-B.

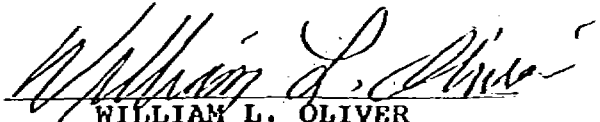

City has advised the Commission staff that due to certain problems involved in the coordination, financing, and right-of-way aquisition will preclude the beginning of construction until the latter part of 1991, of the Monte Vista Underpass.

AT&SF has indicated it has no objection to the requested extension of time. The Staff finds that there has been no substantial change of circumstances since the original authority was granted by Commission Decision.

IT IS RESOLVED that the City of Montclair is granted an extension of time until April 22, 1993 to exercise the authority granted by D.88-03-074 in A.87-09-004. In all other respects, D.88-03-074 shall remain in full force and effect.
