following Commission Decisions and Resolutions:

<u>Item</u>	<u>Date</u>
Application (A.) 85-05-078	May 17, 1985

City has advised the Commission staff that due to certain scheduling, funding and right-of-way problems the construction of the Santa Ana Avenue at-grade crossing across Southern Pacific Transportation Company's (SPT) Declezville Branch Line in Fontana, San Bernardino County has not been completed. The crossing is to be identified as No. BBH-530.5.

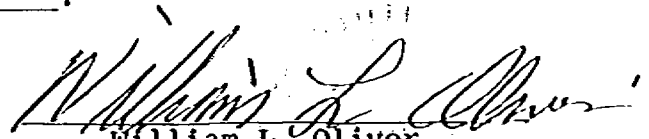

SPT has indicated it has no objection to the requested extension of time. The Staff finds that there have been no substantial changes in circumstances since the original authority was granted.

IT IS RESOLVED that the City of Fontana is granted an extension of time until January 4, 1993 to exercise the authority granted by the above noted Decisions and Resolution. In all

Resolution TED-35
