

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Resolution No. TL 18252
Transportation Division

R E S O L U T I O N

RESOLUTION SUSPENDING THE DUMP TRUCK CARRIER PERMIT OF
HENRY YOUNGBLOOD DBA YOUNGBLOOD TRUCKING (CAL T-151,653) FOR
FAILURE TO PASS CALIFORNIA HIGHWAY PATROL VEHICLE SAFETY
INSPECTION AND TERMINAL INSPECTION

Henry Youngblood dba Youngblood Trucking (T-151,653) holds a Dump Truck Carrier permit.

The California Highway Patrol (CHP) has statutory authority in the area of safety of Highway Permit Carriers under PU Code Section 3774(g).

The California Highway Patrol (CHP) has informed the Commission that it has performed three evaluation inspections of Youngblood Trucking. All three inspections resulted in unsatisfactory ratings with vehicles being placed out-of-service for imminently hazardous mechanical defects each time. A fourth inspection of two of the carrier's vehicles involved in an accident disclosed seven mechanical safety violations. Accordingly, the CHP has recommended suspension of these operating authorities.

This order is being issued without advance publication on the Commission's agenda, pursuant to the emergency conditions exemption under Public Utilities Code Section 306 (b). The emergency situation presented by continued operation of Youngblood severely impairs public safety.

IT IS ORDERED that:

1. The Dump Truck Carrier permit of Henry Youngblood dba Youngblood Trucking (T-151,653) is suspended.

2. If Youngblood wishes to challenge the suspension he should file an application with the Commission's Docket Office, asking that his suspension be lifted and requesting a prompt hearing. (The Public Advisor's Office (telephone (415) 557-0890) is available to provide information about how to file an application.) Upon receipt of such an application, the Commission will set a hearing as soon as possible. Youngblood may also request reinspection by the California Highway Patrol.

Resolution TL-18252

3. Youngblood shall conduct no operations as a Dump Truck Carrier during the period of suspension.

4. The Executive Director may reinstate Youngblood's operating authority upon receipt of a written recommendation from the California Highway Patrol that Youngblood's safety compliance warrants reinstatement, provided that Youngblood's operating authority is not then suspended, or subject to suspension, for other reasons.

The Executive Director is directed to mail a copy of this resolution to:
