RESOLUTION GRANTING VOLUNTARY SUSPENSION OF PASSENGER STAGE CORPORATION CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY HELD BY GEORGE PRESTON, INC., PSC 1419

George Preston, Inc. (Preston) holds a certificate of public convenience and necessity as a passenger stage corporation (PSC-1419) for the transportation of passengers and their baggage from and to the cities of Fremont, Newark and Santa Clara and San Francisco International, Oakland International and San Jose International airports.

On June 24, 1988 Preston requested voluntary suspension of PSC-1419 for a period of one year. The request was filed by George Preston, President, and stated the suspension was needed for medical reasons. Other carriers are available in the area serviced by Preston.

Under the circumstances, the Commission finds that public convenience and necessity do not require the service of this carrier at this time.

IT IS ORDERED that:

1. The certificate of public convenience and necessity granted to George Preston, Inc. is hereby suspended for the period of one year commencing on the effective date of this resolution.
2. Preston is authorized and directed to file suspension supplements to the tariffs and timetables on file with the Commission.
3. Prior to resumption of service, tariff and timetable supplements cancelling the suspension supplements shall be filed. The required filing shall be made on not less than five days notice to the public and to the Commission.
